

Getting started with **BREAKING BARRIERS** using Numicon Manipulatives

Supporting children with significant specific difficulties in number

- Specifically formulated to cover key mathematical ideas from KS1
- Written for older pupils with significant maths difficulties
- Provides a structure for longer term teaching intervention to be used one to one

*** Schools will need to bring own copy (purchased in advance from OUP) of Breaking Barriers, costing £115**

"Very good assessment method to use with children according to their needs. It helps to fill up gaps in their learning and expand their knowledge."

Date: Wednesday 3rd October 2018

Time: 10.00 - 2.00

Location: Herts SpLD Outreach Service at **Parkside School**

Cost: £50 per person (includes use of 1 loan kit per school of Numicon manipulatives for 1 term following training)

Target Audience: SENCo with a TA
