

# WRITE AWAY TOGETHER

**An evidence based intervention featured  
in 'What Works' by Greg Brooks**

- ➔ This is a Fischer Family Trust intervention (10+ weeks) for children (Yrs 2-6) needing more support with writing.
- ➔ It is suitable for children who lack writing confidence and need to extend their work beyond single sentences and require help in organising their ideas to develop writing fluency.
- ➔ It can be delivered 1:1 or in a small group by a teacher or TA x2 a week for 20 minutes.
- ➔ Reinforces the PRAISE, IMPROVE, PLAN model.
- ➔ You will be shown how to work on a writing task in detail to improve writing skills with the aim of achieving better quality independent writing.
