Literacy

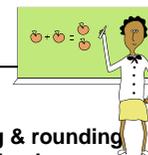

Literacy work will be linked to each topic through the term.

The children will be sharing lessons including grammar, handwriting and spelling work. Please ensure reading diaries and reading books are brought into school everyday. It would be extremely beneficial if you could read with your child each evening.

Numeracy

Place value, ordering & rounding
Sequences in Number
Understanding Multiplication and division
Recording addition, subtraction, multiplication and division
Organising and interpreting data
Mental Calculation strategies
Money and "real life" problems
Fractions, decimals and percentages, ratio proportion

Geography

Seasons – why the weather changes at particular times of the year depending on where in the world you are

Homework

This year your children will complete a learning log activity every fortnight. The learning logs are to encourage children to enquire and be creative. These activities will match the curriculum. Learning Logs and maths homework will be sent home on a Monday, and children will have 2 weeks to complete the task. Children will be given new spellings every Monday and will be tested every Friday.

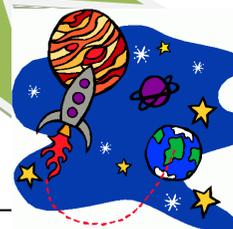

Religion

Christianity and Judaism

What do we know about these religions?
What are their main beliefs and holidays?

Space & The Vikings

ICT

Rising Stars scheme of work

The children will be using scratch to programme and code their own games.

Art

Use of water colours & chalk pastels

Making a moving model

P.E.

Basketball & Gymnastics - Invasion games Increasing control and accuracy in skills and sequences. P.E. will be taught on a Monday afternoon. It is important that children have a P.E. kit at school for these sessions.

Should you have any queries about any of the lessons being taught to your child please do not hesitate to come and see me. (After school or by appointment)
