- Improving communication
- Increasing vocabulary

Year 6 with Mrs Zrihen and Miss Patel

Literacy

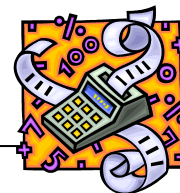

Autobiography and biography
Persuasive Writing
Poetry – the power of imagery
Fiction genres

In order to deliver a personalised education to your children we will be streaming maths and literacy.

Numeracy

Place value, ordering & rounding
Sequences in Number
Understanding Multiplication and division
Recording addition, subtraction, multiplication and division
Organising and interpreting data
Mental Calculation strategies
Fractions, decimals and percentages, ratio and proportion.

History

Children will be studying Ancient Greece. They will be learning how to sequence events in chronological order and leaning about past events in detail. Children will be using enquiry skills to make inferences from historical evidence.

1st Ancient Greece

2nd Living Things and their Haitats

Homework

This year your children will complete a learning log activity every fortnight. The learning logs are to encourage children to enquire and be creative. These activities will match the curriculum. Learning Logs will be sent home on a Friday and will be due in the following Thursday. Outstanding Learning Logs will be displayed on our Learning Logs work board in our classrooms. Weekly spellings will also be sent home and will be tested every Friday. In addition to this pupils will have a piece of English and maths each Monday to be completed each week.

Religion

Buddhism

What do we know about these religions?
What are their main beliefs and holidays?

ICT

Will be designing, researching and marketing our own smartphone APP.

Art & Design Technology

In the first term, the children will be exploring Greek food and nutrition. We will ask parents to assist in practical lessons and a small donation to ingredients. In the second term, the children will be creating observational sketches on living things and our current environment.

P.E.

PE will be taken by an outside agency covering a range of sports. PE will take place on Tuesday afternoons and children will need an indoor and outdoor kit.
