Dear Parents and Carers,

We are delighted to announce that we will be holding an 'International Celebration Afternoon' on Monday 8<sup>th</sup> October 2018 in the school hall at 1.30pm.

As part of getting to know one another, the practitioners and the children have been sharing information about themselves and their families. We have been talking about where we come from in the world and have been finding the countries on the globe. We have been learning how to say hello in the different languages represented in our Reception classes.

We ask that you come and share some of your culture in school. This can be through the sharing of song and music, or food and drinks. We encourage you to provide a popular food from your country that all the children can taste. This can be home cooked or purchased finger food. It will need to be suitable for vegetarians and free from any nuts. The children can also wear traditional clothing and perform dances from your home country, or a popular song.

If you have any queries, please ask one of our Early Years practitioners. Please do let us know if your child would like to perform a song or dance so that we can adequately set up the music in the hall. We hope to see as many of you there as possible. Thank you in advance for your continued support.

Kind regards  
The Reception team
