

School Information

Year 6

Cedar
and Cherry

Dear Parents

We hope you all had an enjoyable summer holiday. We are looking forward to an enjoyable and productive year with your children.

Mathematics

Place value, ordering & rounding
Sequences in Number
Understanding Multiplication and division
Recording addition, subtraction, multiplication and division
Organising and interpreting data
Mental Calculation strategies
Fractions, decimals and percentages, ratio and proportion.

English

Recount and information texts
Autobiography and biography
Persuasive Writing
Poetry – the power of imagery
Fiction genres

PE

Children will need their PE kit in school every day.
Please ensure that plimsolls still fit and all kit is named. Children should remove their earrings for PE days (Monday) and long hair should be tied up.

Computing

Children will be using a variety of software programmes.
Children will be making and designing an app.

Topics

Our topics this term will be ancient Greece and evolution and inheritance. We will be teaching geography, history, science and art through these topics. We hope to provide children with practical and meaningful experiences during the teaching of these areas of the curriculum.

Homework

Homework will be sent home on a Friday and will be due in the following Thursday. There will be one piece of literacy work and one piece of maths work. Spellings will be sent out on Monday and tested on Friday. Children will be expected to read and practise their spellings at home daily.

Time Keeping

It is extremely unsettling for children to arrive in class after work has started. Therefore we would ask you to please ensure that your child arrives promptly for registration at 8.45 a.m for the beginning of our mental maths session. Registration closes at 8:55 promptly. Thank you.

PSHE

- What do we want in this class?
- Working together
- Keeping safe at school
- Developing confidence and responsibility

Religious Education

Buddhism

What do children know about this religion?

What are the key aspects of this religion?

We are looking forward to working with you this year. Please do not hesitate to come to see us if you have any concerns or queries about your child's personal progress. Quick queries can usually be dealt with after school . If you feel that you would like a longer discussion please arrange a convenient time. As a reminder we have our Greek workshop on the 20th September any money will need to be given to the office.

Many thanks,

Miss James, Miss Patel, Mrs Lunniss and Mrs Salter
