Dear Charles

I was pleased to read the recent Ofsted report which judges Parkside Community Primary School to be a good school. It is particularly pleasing to see a school move from requires improvement to a judgement of good under the new Ofsted inspection framework.

I have noted the school's strengths as highlighted in the report and am sure you already have plans in place to address the areas for improvement identified by the Ofsted team.

I know that an Ofsted inspection can be a challenging time for staff, school leaders and the school community as a whole, particularly when inspected under a brand new framework. However, congratulations to you, to your governors and to your staff for this outcome. I would be grateful if you would pass my sincere thanks to all staff and governors for the significant part they play in ensuring that the pupils of Parkside Community Primary School fulfil their potential.

Yours sincerely

Jenny Coles
Director of Children's Services
