Party Planning

Activity 2 - Party Invitation

Guest List

Write a list of friends that your character will invite to their party. Which other characters do they know?

Design your Invitation

You can do this on paper or you can use a publishing programme on a computer. Make sure it is bright and colourful with some patterns or pictures that your character likes.

Remember to add an address so think carefully about where your character lives. Is it a pirate ship or deserted island? Do they live in a tree house in the forest or in a fairytale castle?

You could set out your invitation like this:

Dear

Please come to my party on

At

It will be a party

So please wear

And bring a

I look forward to seeing you there.

From your good friend
