

## Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

They suddenly became aware that they were not alone.

William combined the ingredients to make an ointment.

They decided to go in search of William's envelope.

William made the perilous journey back down the mountain.

Once the paste was rubbed onto Chetna's leg, her wound healed almost instantly.
