Dear Parents/ Carers,

The final arrangements for next year's classes are now complete; please read the table below carefully. It has been a very challenging and difficult year for the school but what has been very encouraging and incredibly pleasing is that we have not had to recruit new staff for the first time in many years. You will all know **all** children are expected to return to school in September. The fact that they will be welcomed back by familiar faces will make the transition back to school a little easier.

We know that for many of you the prospect of returning to school after a considerable time away will be a major concern. Teachers and support staff have worked incredibly hard over the past six weeks to prepare classrooms and establish routines. They have helped to make the school day feel as normal as possible and as a result the children have felt safe and secure. These systems will continue into the new academic year and throughout the autumn term.

Life as we once knew it has changed considerably, but by mitigating risks in a controlled and considered way, the school will be fully operational once again from September 3rd 2020.

Yours sincerely

C D Soyka
