SCHOOL SWIMMING LESSONS

17th September 2020

Dear Parents/Carers,

Year 5 Cedar will resume their swimming lessons on Wednesday 23rd September until Wednesday 16th December. Risk assessments have been received from the Swimming Pool and Hearn's Coach Company and we are happy that they comply with the current regulations regarding COVID-19. We also have our own risk assessment in place, so please be rest assured that safety with regards to COVID - 19 is our top priority.

If for any reason that you want to access these documents you can find them by clicking the following link:

<https://parkside.herts.sch.uk/covid-19/>

Children will need to wear their swimming costumes under their uniforms each week to avoid delays when changing and to save time. Please make sure that they pack underwear to change in to after their lesson. If for any reason you would like to discuss any of the arrangements regarding swimming please can you contact the school office.

Yours sincerely,

C Soyka
Headteacher
