

Dear Parents/Carers,

As part of our standards cup, children will help their class to earn points by completing their homework. The best way to help their class earn the points is to do their daily reading and spelling/times tables practise. In addition, children can select from a variety of other activities from the table below. These activities will be due at the end of the half term. The children are expected to complete at least **3** of these activities per half term but may complete more if they choose.

Children are also able to log into Education City and Purple Mash on a daily basis.

<p style="text-align: center;"><u>Activity 1</u></p> <p>Read a book and write a detailed book review.
