*Dear Mr Soyka,*

I recently received correspondence from Mr Jon Wedger who informed me that he was deployed at your school as a 'one to one' teaching assistant for several months last year.

He passed on his thanks and appreciation of what you have done and continue to do at Parkside Community Primary School. He was extremely impressed at the improvements you have made at the school.

I would like to add my thanks to Mr Wedger's for your continued commitment to the children in your school, it is apparent that you are respected by staff and pupils alike. The last year has been challenging for everyone and your leadership is to be commended.

I wish you, your team and your pupils all the best for the future.

Secretary of State for Education
