CLASS ARRANGEMENTS 2021 / 22

Dear Parents / Carers,

The final arrangements for next year are now in place. It has been a very challenging year for all of us, one that we will never forget. Hopefully, as restrictions are lifted and life returns to some form of normality, we can start the new academic way with a renewed positivity. We have been very fortunate over the past couple of years to have retained staff but this year we say goodbye to Mrs Banton, Mrs Harrison and Miss Koss who leave us to take up new positions in their new schools. I would like to thank them for their teaching, dedication and professionalism over the past couple of years and wish them well in their new ventures. We welcome Miss Bryson to the staff and she will teach in Year 1 and Mrs Gallen who will replace Miss Hope in the Nursery. Miss Bryson comes from a school in Harrow and has a wealth of teaching experience. The table below explains the changes for the new academic year.

As the school begins its process of becoming a one form entry, we welcome our new parents and carers to Nursery and Reception classes. This is the first year we will have one form of entry since 2014; something we will continue to do until 2027.

I am very proud of the way we have handled things as a school and how we have come through the challenges together. We look forward to the end of a very difficult academic year and the renewed hope the new year brings.

Yours sincerely

C Soyka
