Charging and Remissions Policy

This policy reflects the requirements of the Education Act 1996 and the Charging for School Activities Guidance (DfE May 2018).

There are three main purposes to this policy:

- To establish an entitlement for all pupils;
- To promote continuity and coherence across the school;
- To state the school's approaches in order to promote understanding, particularly parents', carers' and the wider public.

The Governors wish to promote inclusion and ensure that all pupils have access to all areas of the life of the school, regardless of the parent's ability to pay.

To discharge the Governing Body's responsibilities to draw up, and keep under review, their policies in respect of charging and remission arrangements.

Statement

- The School recognises the valuable contribution that the wide range of additional activities, including clubs, day-trips and school journeys, make towards the personal development and education of children.
- These activities are promoted by the School both as part of a broad and balanced curriculum for the children, and also as additional activities.
- It is the policy of the Governing Body of Parkside Community Primary School to charge pupils at full cost for all activities which are deemed to take place outside school hours unless that activity is required to fulfil:
 1. Any requirement specified in the syllabus of a prescribed examination.
 2. Any statutory duties relating to the National Curriculum.
 3. Any statutory duties relating to religious education.
- Voluntary contributions may be invited for all activities which take place during or outside the school day for which no charge can be legally imposed.

Equality

- This policy will ensure that charges and remissions will be applied fairly and consistently, and that they enable all pupils to access provision, regardless of their families' financial circumstances.

No child will be excluded from an activity because parents are unable to pay. If insufficient contributions are raised, the trip or activity may have to be cancelled. If a parent is unwilling or unable to pay their child will be given an equal chance to go on the visit.
