

Dear Parents/Carers,

As part of our standards cup, children will help their class to earn points by completing their homework. The best way to help their class earn the points is to do their daily reading and spelling/times tables practise. In addition, children can select from a variety of other activities from the table below. These activities will be due at the end of the half term. The children are expected to complete at least **3** of these activities per half term but may complete more if they choose.

Children are also able to log into Epic and Purple Mash on a daily basis.

<p style="text-align: center;"><u>Activity 1</u></p> <p>Create a poster to persuade someone to eat your favourite food. You need to use repetition, questions and the rule of three in your writing.</p>	<p style="text-align: center;"><u>Activity 2</u></p> <p>Create a times table board game to play in class.</p>
<p style="text-align: center;"><u>Activity 3</u></p> <p>Using clay or play-dough, make a model of the human teeth and label the different types of teeth we have in our mouth.</p>	<p style="text-align: center;"><u>Activity 4</u></p> <p>Create an A3 poster of the human digestive system. Label the different parts of our digestive system and explain how they work.</p>
<p style="text-align: center;"><u>Activity 5</u></p> <p>Build a model of the Houses of Parliament in London.</p>	<p style="text-align: center;"><u>Activity 6</u></p> <p>During Diwali, people decorate their floors with Rangoli. Create a Rangoli pattern on the back of a paper plate used paint, glitter and gemstones (you may need to research some pictures of what Rangoli looks like).</p>
<p style="text-align: center;"><u>Activity 7</u></p> <p>Create an Acrostic poem using the word RESILIENT.</p>	 <p style="text-align: center;"><small>The Weaving Loom.com</small> Paper Plate RANGOLI</p>
<p style="text-align: center;"><u>Activity 8</u></p> <p>Do a random act of kindness for a friend or family member and document it - you could take a photo, write about it or draw a picture.</p>	
<p style="text-align: center;"><u>Activity 9</u></p> <p>Use your skills from art to draw a 3D picture. Try to use colour to show different depths in your drawing.</p>	<p style="text-align: center;"><u>Activity 10</u></p> <p>Be creative! Can you come up with your own piece of homework?</p>

Thank you for supporting us with homework.

Kind Regards,

Year 4 Team
