

Dear Parents/Carers,

The homework activities we now set will be more about spending time together as a family. You may decide to take some photos of the activities you do and upload them onto the Google Classroom under the 'Homework' section or to stick the photos in their homework books. Other tasks can be brought into school as they are completed to share with the class. All homework will need to be handed in by Friday 3<sup>rd</sup> February. Pupils will still be expected to read daily and learn their weekly spellings.

Children are also able to log into Education City and Purple Mash on a daily basis.
