

Dear Parents/Carers,

As part of our standards cup, children will help their class to earn points by completing their homework. The best way to help their class earn the points is to do their daily reading and spelling/times tables practise. In addition, children can select from a variety of other activities from the table below. These activities will be due at the end of the half term. The children are expected to complete at least 3 of these activities per half term but may complete more if they choose.

Children are also able to log into Mathletics, Education City and Purple Mash on a daily basis.

<p style="text-align: center;"><u>Activity 1</u></p> <p>Write a persuasive leaflet encouraging people to stop littering and polluting our rivers!</p>	<p style="text-align: center;"><u>Activity 2</u></p> <p>Design a double page spread describing what a solid, liquid and gas is.</p>
<p style="text-align: center;"><u>Activity 3</u></p> <p>Design a poster to explain and illustrate the melting process.</p>	<p style="text-align: center;"><u>Activity 4</u></p> <p>Bake a cake or cookies. Write down the changes that happen to the materials used throughout the process of making the cake/cookies. Don't forget to take a picture of the final product!</p>
<p style="text-align: center;"><u>Activity 5</u></p> <p>Research and create a fact file about one of the great rivers of the world: River Danube, River Thames, River Nile, River Niger, The Yellow, The Yangtze, The Ob, The Ganges, The Indus, The Murray, The Mississippi or The Amazon.</p>	<p style="text-align: center;"><u>Activity 6</u></p> <p>Create a model of the river's journey from the Source to the Mouth.</p>
<p style="text-align: center;"><u>Activity 7</u></p> <p>Policemen and fire fighters have a uniform that tells us who they are. Design a uniform for your family to wear to show how proud and amazing your family is.</p>	<p style="text-align: center;"><u>Activity 8</u></p> <p>Write a story using a fictional character demonstrating ways to resist making the wrong choices when someone is putting you under pressure.</p>
<p style="text-align: center;"><u>Activity 9</u></p> <p>It's really hard to create a pencil case; sometimes we don't have all the resources we need. Design your dream pencil case! Will it have secret compartments? Will it be as big as a table? What material is it made out of? It's up to you!</p>	<p style="text-align: center;"><u>Activity 10</u></p> <p>Be creative! Can you come up with your own piece of homework based on something you have been learning at school?</p>

Thank you for supporting us with homework.

Kind Regards,

The Year 4 Team
