

Dear Parents/Carers,

The homework activities we now set will be more about spending time together as a family. You may decide to take some photos of the activities you do and upload them onto the Google Classroom under the 'Homework' section or to stick the photos in their homework books. Other tasks can be brought into school as they are completed to share with the class. All homework will need to be handed in by **Thursday 25th May 2023.** Pupils will still be expected to read daily and learn their weekly spellings.

<p style="text-align: center;"><b><u>Activity 1</u></b></p> <p style="text-align: center;">Get reading!</p> <p>What would you most like to learn about? Can you find out more about it in books? Can you find a new hobby? Take some photographs of you reading your books in the strangest place and upload them to Google Classroom or stick them in your homework book. Alternatively, write about what you did in your homework book!</p>	<p style="text-align: center;"><b><u>Activity 2</u></b></p> <p>Research the different types of forces and create a double page spread describing each force.</p> <p>Think about: what it is, how each force could be demonstrated, draw an image showing each force.</p> <p>This can be done in your homework book or created in Google Classroom.</p>
<p style="text-align: center;"><b><u>Activity 3</u></b></p> <p>Make a fact sheet for King Charles I. Research key facts about his life, was he a good king and why? This can be done in your homework book or created in Google Classroom.</p>	<p style="text-align: center;"><b><u>Activity 4</u></b></p> <p style="text-align: center;">Junk modelling!</p> <p>Collect and recycle materials such as yoghurt pots, toilet rolls and boxes and see what you can create with them.</p> <p>Take a photo and upload it to Google Classroom or bring it into school.</p>
<p style="text-align: center;"><b><u>Activity 5</u></b></p> <p>Have you ever wondered what it would be like to live in a castle? Carry out some research about a famous castle and choose how to present your information. Where is the castle? Who lived there? How was the castle defended? Was it part of a siege? This can be done in your homework book or created in Google Classroom.</p>	<p style="text-align: center;"><b><u>Activity 6</u></b></p> <p>Would you prefer to be a Roundhead or a Cavalier? Research each of them and decide which you like to be. Create a poster about one of them, trying to persuade others to become a Roundhead or Cavalier too. This can be done in your homework book or created in Google Classroom.</p>
<p style="text-align: center;"><b><u>Activity 7</u></b></p> <p>Make a paper aeroplane and investigate the effects of air resistance and gravity on it. Time how long it takes to fall to the ground. Can you adjust the design to make it fall more slowly? Draw the design of your new aeroplane and explain how you made it fall slower.</p>	<p style="text-align: center;"><b><u>Activity 8</u></b></p> <p>Go on a nature walk and collect some natural materials (leaves, moss, flowers etc).</p> <p>Use these materials to create a piece of magnificent art. You could use them to print a pattern or use the natural shapes to inspire your own artwork! Have fun!</p>
<p style="text-align: center;"><b><u>Activity 9</u></b></p> <p style="text-align: center;">Do you like cooking?</p> <p>Spend some time with your family making and creating your own favourite recipes. Then enjoy eating your creation altogether. Don't forget to take a photograph of all of you baking together and upload it to Google Classroom or stick it into your homework book. Alternatively, write about what you did in your homework book!</p>	<p style="text-align: center;"><b><u>Activity 10</u></b></p> <p style="text-align: center;">Making Music!</p> <p>Write a rap or a song about a pizza, baking a cake, going for a walk... or any other ideas of your own! Use one of your homework tasks as inspiration.</p> <p style="text-align: center;">Be as creative as possible!</p> <p>The lyrics can be written in your homework book or created in Google Classroom.</p>
