

Dear Parents/Carers,

The following activities will now be more about spending time together as a family. You may decide to take some photos of the activities you do and upload them onto the Google Classroom under the 'Homework' section or to stick the photos in their homework books. Other tasks can be brought into school as they are completed to share with the class.

All homework will need to be handed in by Friday February 14th 2025.

Pupils will still be expected to read daily and learn their weekly spellings.

Activity 1 - Write a wanted poster for the lion we have been learning about in English.

A question. A description of him.
Sentences about why he is wanted. Expanded noun phrases. A simile and a warning to stay away!

Here is an example about a wanted Rat!

Resource 3a: Wanted poster example – The Highway Rat

WANTED!

Have you seen this **evil, wicked** rat? He's the **baddest, maddest** rat in town! His shirt is white and he has a **pointy, dangerous** rapier. His fur is silky and grey and he has long, thin whiskers. Also, his claws are **as sharp as daggers**. Did you know that every day he steals whatever he wants? Keep a close eye on your cakes, biscuits, sweets and pastries **because** he loves these the most! He makes people nervously shiver in their boots with worry. If you see this sneaky rat, do not approach! Instead, you should call 999 and carefully and quietly hide away until he is caught!
