

# PARKSIDE COMMUNITY PRIMARY SCHOOL

Friday 23<sup>rd</sup> January 2026

Dear Parents and Carers,

It's been another busy week at Parkside Community Primary School and I'm pleased to share some of the highlights.

On 13th January, we welcomed our School Effectiveness Advisor into school. During his visit, he spent time in the Early Years Foundation Stage and was very positive about what he saw. He commented that learning in our Early Years is carefully planned and builds step by step, with staff using high-quality interactions and thoughtful questioning to support children's curiosity, language development and engagement. This means that children are given well-structured learning opportunities, are encouraged to talk and think deeply and are supported to stay focused and enthusiastic about their learning. We are very proud of the strong foundations being built for our youngest learners.

We also celebrated a fantastic success following the recent Herts Disability Sports Foundation cycling workshop for our Year 3 and 4 pupils. The children thoroughly enjoyed the sessions and worked hard to develop their cycling and road safety skills. We are delighted that the charity has very kindly gifted bikes to children who achieved Level 1 during the workshop. Ms Hussain, who is currently supporting the school during Mrs Herbaut's absence, will be in contact with relevant families to arrange collection of the bikes. We would like to thank the Herts Disability Sports Foundation for their generosity and continued support.

Finally, an important update regarding our school's social media pages. We are excited to announce that Parkside Community Primary School now has new and refreshed Facebook and Instagram pages. These two platforms are linked and will be used by staff to share and celebrate the wonderful work that children do across the school. Details of how to find and follow these pages can be found below and on our school website. Please note that our previous Facebook page is no longer in use. We look forward to welcoming you on our new social media platforms and sharing more of school life with you.
